This document describes the key accountabilities, duties and required capabilities of the position and is not designed to be prescriptive. The incumbent can expect to undertake other duties in addition to those described in this document, in line with changing strategic and operational requirements.

Position Purpose

Undertake a variety of activities associated with concrete labouring, to assist with the construction and maintenance of Council's civil infrastructure in connection with roads, footpaths, kerbing and channelling, driverways, stormwater drainage and other functions of Council.

Authority and Delegations

The incumbent has the authority to take any reasonable action that is consistent with the accountabilities and duties of the position, as described in this document, and to ensure the safe and efficient undertaking of work activities. The incumbent's authority to act is subject to any limitation imposed by Council policies and procedures.

Under section 378 of the *Local Government Act 1993*, the General Manager may sub-delegate powers, authorities, duties or functions of Council to this position. The incumbent must exercise any delegations conferred to the position in accordance with Council's Code of Conduct and all relevant Council policies and procedures.

Delegations applicable to this position are contained in Council's Delegations Register, which is modified from time to time.

Key Accountabilities

Position Accountabilities

- Concrete activities (including but not limited to formwork, pouring and screeding / finishing, etc.) required to assist in the construction and maintenance of Council's civil infrastructure such as roads, footpaths, driveways, kerbing and channelling, stormwater drainage, and other related activities.
- Assist with general construction and maintenance tasks for all assets within the Operations section such as pothole repair, road maintenance, footpaths, cycleways, kerb and guttering, drainage, bridge structure, traffic control, etc.
- Assist with works survey set out.
- Operate and maintain small plant, tools and equipment associated with construction and maintenance work.
- Undertake other duties as required by Parkes Shire Council, within the scope of the incumbent's capabilities, knowledge, and experience.

Corporate Accountabilities

- Ensure personal and professional behaviour is consistent with Council's Code of Conduct and Equal Employment Opportunity (EEO) principles and report any known breaches.
- Execute work with probity, accountability and transparency to prevent incidents of fraud and corruption in Council's organisation and operations and report any known incidents.
- Actively perform as a team member and contribute to the outcomes of work teams in a collaborative, professional and productive manner.
- Assume responsibility for and manage own work, regularly appraising own performance against required levels of performance.
- Undertake training and attend professional development opportunities, if and as required.
- Store and maintain corporate records in Council's Electronic Document and Records Management System (EDRMS) in accordance with relevant policies, procedures and the *State Records Act.*
- Identify, assess and treat risk relevant to the position.
- Convey a professional image of Council and dress appropriately for the role, including wearing Personal Protective Equipment (PPE) or prescribed corporate uniform, if and as required.
- Communicate with customers in a professional and courteous manner, ensuring customers are provided with clear, accurate and timely information and requests are processed within required timeframes.
